## You can help us transform lives.

At JOIN Inc., we aim to help break the cycle of poverty for all Nevadans and promote equitable economic growth throughout our region. We are committed to providing access to educational and occupational skills training for individuals seeking careers, financial stability, and personal success. No matter where an individual wants to excel in life, we strive to make sure they have the tools and resources they need to prepare them for tomorrow's workforce.

Of course, none of this would be possible without the generous support we receive from our community.

All proceeds from the 2nd Annual Swing Fore a Brighter Future Golf Tournament will go to JOIN's robust programs and our mission to support career seekers by eliminating barriers and building strong community connections, one person at a time.
